- **Limited stock available** - approximately 7 - 10 working days for delivery.
- Non-stock sizes and other colours are available to order. Please call for more details.
- Made of steel.
- Underside valve connections.
- Distance from wall to front face: horizontal – 87mm-99mm (adjustable bracket) / vertical - 84mm
- Approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look, see our valves page (valves are not included as standard).
- Nationwide delivery available – usually £25 per consignment to most UK mainland addresses.
- Heat outputs are shown at operating temperatures of 90/70/20 (Δt60°C).
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

The above prices are exclusive of VAT.
