BINGLEY WAREHOUSE SALE

OVAL - polished stainless steel towel radiator

Price list with effect from 19th September 2011

Oval-ly inspired, this stunning stainless steel towel radiator combines cutting edge design with classic practicality. With an impressive heat output, plenty of hanging space at a superbly discounted price, the OVAL is the shape of things to come.

Stainless steel does not decrease the output (chrome decreases output by 20%) and also will keep its shiny finish regardless of knocks and bumps over the years.

Ex-display and available for inspection, sale and collection from our warehouse in Bingley, West Yorkshire. Sold as seen.
