

feature radiators

BINGLEY WAREHOUSE SALE **iRad electric radiator**

Price list with effect from 12th December 2011

Models pictured are different sizes to those being sold

iRad as a stand-alone unit – each radiator has a simple on/off switch. An iRad Controller is not necessary to operate one iRad working alone, but may be desirable for greater control (thermostat and timer).

Ex-display and available for inspection, sale and collection from our warehouse in Bingley, West Yorkshire. Sold as seen.

mm	mm	Finish	Heat output Watts	Original price £	Special price £
500	750	Brushed stainless steel	373	304	250
500	1500	White	1200	378	350

Comments

Brushed model - very slight scratches on front. Original packaging.
White models – In original packaging that has been opened but in mint condition.

- Radiators sold for collection from Bingley only.
- Electric radiator
- Made of steel
- Distance from wall to front face: 50mm
- Radiator is supplied with the necessary fixings i.e. brackets, spacers, etc. (note: screws are not supplied)
- Sold with a one-year manufacturer's guarantee (covering manufacturing faults not apparent on a pre-sale examination). In the unlikely event that a manufacturing fault develops within a year of purchase, we will refund the amount paid upon safe return of the item to our Bingley warehouse. A replacement will only be offered if we happen have a like for like model in clearance stock. Please note that our total liability is limited to the total price paid for the goods.
- All sales are subject to these terms and conditions and, where no conflict, our standard terms and conditions, a copy of which can be downloaded from our website.

The above prices are exclusive of VAT.

iRad Controller = £88 + VAT

iRad Controller is wireless, easy to program, easy to re-program and simple to use.

iRad Controller operates like a gas central heating controller with:

- 7 day clock, up to 6 temperature settings per day
- Frost protection
- Keylock mode – to prevent tampering
- Boost mode – Unexpectedly cold day? Just click boost to turn on the radiators for the next hour.
- Advance mode – Brings forward the next programme
- Holiday mode – Turns the heater off subject to 'frost protection' mode
