MATRIX

Special prices and free delivery – limited stock

Price list with effect from 14th November 2011.

Vertical

Horizontal - Single panel, no fins

Horizontal - Single panel, single fins

The Matrix oozes quality and style, and its simple detailing and quality construction are designed to stand the test of time. Clean and slimline, in white this radiator will blend subtly into walls. Or want to make a statement? Then be daring with a bold colour. These radiators are available from stock for quick delivery in a range of sizes and colours.

feature radiators

- Limited stock available - approximately 7 - 10 working days depending on size of radiator.
- Colour swatches can be sent on request.
- Our standard Matrix range includes various sizes stocked in white and other colours and sizes are also available by special order. See Contemporary page for details.
- Made of steel.
- Distance from wall to front face: 32mm deep models = 55mm / 62mm deep models = 73mm / 103mm deep models = 126mm
- Side valve connections so add 150mm in total to the width of the radiator to allow for valves (these are not pipe centres).
- Approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look, see our valves page (valves are not included as standard).
- **Nationwide delivery available – FREE OF CHARGE TO MOST UK MAINLAND ADDRESSES.**
- To order or for further information, please call or email.
- Heat outputs are shown at operating temperatures of 90/70/20 ($\Delta t60^{\circ}\text{C}$).
- All sales are subject to our terms and conditions, a copy of which is available on request or can be downloaded from our website.

The above prices are exclusive of VAT.
