If we don't have the size here that you are looking for, then see our Classic or Bordo ranges, which include a wide range of sizes from stock.

- Few radiators remaining so please check stock - approximately 7 - 10 working days delivery.
- **These radiators do not all have standard valve connections.** The table above gives the valve connections codes for each radiator, which are explained below. We would advise you check with your plumber about the valve connections before ordering any radiator.
 - BBOE – Bottom, bottom, opposite ends
 - TTOE – Top, top opposite ends
 - TBSE – Top, bottom same ends
- Made of steel.
- Distance from wall to front face: Add 36mm to the depth stated above.
- All models listed above are wall-mounted (without feet). For floor-mounted models, see our Classic and Bordo ranges.
- Approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look, see our valves page (valves are not included as standard).
- **Nationwide delivery available – usually £25 per consignment.**
- To order or for further information, please call or email.
- Heat outputs are shown at operating temperatures of 90/70/20 ($\Delta t 60^{\circ}\text{C}$).
- All sales are subject to our standard terms and conditions, a copy of which is available on request.

The above prices are exclusive of VAT.
