BINGLEY WAREHOUSE SALE

B-SQUARED

Price list with effect from 6th June 2016.

Whatever the question, B² provides a dramatic solution to the heating equation. Available in a range of vertical and horizontal sizes, this dramatic grid pattern creates a dynamic new look in radiator design.

Ex-display and available for inspection, sale and collection from our warehouse in Bingley, West Yorkshire. Sold as seen.

Central heating radiator

Model	Height (mm)	Width (mm)	Output Watts / BTUs	Colour	Original price £	Special price £
BIS 170-30	1700	300	649 / 2213	Peacock Green RAL 6016	1270	450

- Radiators sold for collection from Bingley only.
- Central heating radiator.
- Made of steel.
- Distance from wall to front face: 72mm
- Underside valve connections.
- Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look, see our valves page for contemporary style valves (valves are not included as standard). Most valves and accessories are available from stock in Bingley.
- Heat outputs are shown at operating temperatures of 90/70/20 (Δt60°C). To obtain Δt50°C outputs multiply the outputs shown by 0.789.
- Sold with a one-year manufacturer's guarantee (covering manufacturing faults not apparent on a pre-sale examination). In the unlikely event that a manufacturing fault develops within a year of purchase, we will refund the amount paid upon safe return of the item to our Bingley warehouse. A replacement will only be offered if we happen have a like for like model in clearance stock. Please note that our total liability is limited to the total price paid for the goods.
- All sales are subject to these terms and conditions and, where no conflict, our standard terms and conditions, a copy of which can be downloaded from our website.

The above prices are exclusive of VAT.
