

WAREHOUSE SPECIAL OFFER
SECTIONAL ALUMINIUM – LIE LOW

Price list with effect from 23rd September 2016.

These radiators bring together the benefits of aluminium with designer style at an incredibly low height of only 273mm, to create highly practical and stylish heat emitters. These die-cast sectional models are lightweight and have a higher output for their size than most conventional panel radiators.

Ex-display and available for inspection, sale and collection from our warehouse in Bingley, West Yorkshire. Sold as seen.

Model	Number of sections	Finish	Height (mm)	Width (mm)	Heat output		Original price £	Reduced price £	Comments
					Watts	BTUs			
LIE LOW/5	5	White	273	420	480	1638	177	90	No known marks

- Made of aluminium.
- Distance from wall to front face: 173mm
- Side valve connections so add 150mm in total to the width of the radiator to allow for valves. (These are not pipe centres.)
- Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents, etc. (Note: screws are not supplied.)
- To complete the look, see our valves page for contemporary style valves (valves are not included as standard). Most valves and accessories are available from stock in Bingley.
- Heat outputs are shown at operating temperatures of 90/70/20 (Δt60°C).
- Sold with a one-year manufacturer's guarantee (covering manufacturing faults not apparent on a pre-sale examination). In the unlikely event that a manufacturing fault develops within a year of purchase, we will refund the amount paid upon safe return of the item to our Bingley warehouse. A replacement will only be offered if we happen to have a like for like model in clearance stock. Please note that our total liability is limited to the total price paid for the goods.
- All sales are subject to these terms and conditions and, where no conflict, our standard terms and conditions, a copy of which can be downloaded from our website.

The above prices are exclusive of VAT.
