Towel rails and hooks are not included as standard.

Towel rails are 600mm wide but can be cut down on site for narrower rail. *White or chrome.

- Tube diameter: 35mm
- Distance from wall to front face: 124mm
- Side valve connections so add 150mm in total to the width of the radiator to allow for valves. (These are not pipe centres.)
- Approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look, see our valves page (valves are not included as standard).
- Nationwide delivery available – usually £25 per consignment.
- To order or for further information, please call or email.
- Heat outputs are shown at operating temperatures of 90/70/20 (Δt60°C). To obtain Δt50°C outputs multiply the outputs shown by 0.789.
- Sold with a one-year manufacturer's guarantee (covering manufacturing faults not apparent on a pre-sale examination). In the unlikely event that a manufacturing fault develops within a year of purchase, we will refund the amount paid upon safe return of the item to our Bingley warehouse. A replacement will only be offered if we happen to have a like for like model in clearance stock. Please note that our total liability is limited to the total price paid for the goods.
- All sales are subject to these terms and conditions and, where no conflict, our standard terms and conditions, a copy of which can be downloaded from our website.

The above prices are exclusive of VAT.
