

FACE – HUGE PRICE REDUCTIONS

Effective from 16th January 2017.

Sheer confidence. The Face smacks of simple beauty and enviable good looks. Cleverly designed, the stunning brushed steel façade masks the highly efficient radiator behind. Excellent at its job, available in a wide range of sizes and built to last, there's more to this model than just a pretty Face.

Face horizontal in brushed steel finish

| Model | Type | Height (mm) | Width (mm) | Depth (mm) | Output | | RRP £ | Sale price £ |

- **Limited stock is now available at heavily reduced prices.** Please call or email to find out stock levels.
- Horizontal models: Underside and side valve connections. When using side valve connections, you need to add an extra 150mm to the width of the radiator to allow for valves (these are not pipe centres). / Vertical models: underside valve connections.
- Distance from wall to front face: Double models: 90/110mm (brackets have 2 settings); single models – please ask our sales team.
- Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look, see our valves page (valves are not included as standard).
- UK mainland delivery available.
- Heat outputs are shown at operating temperatures of 90/70/20 (Δt60°C).
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

The above prices are exclusive of VAT.
