

# feature radiators

## CLEARANCE BLOK

Price list with effect from 6<sup>th</sup> February 2017.

A sophisticated radiator that combines stylish Italian design with energy efficient technology. The Blok's neat columns, complemented by elegant chrome caps, make it an ideal companion for contemporary interiors. Made from aluminium, it uses less energy to heat up and is fast to respond to changes in room temperature.

### Central heating radiators - low and wide

- This version of the Blok has been discontinued so limited stock remains. Measurements vary slightly between the different versions. The latest Blok is available via the Contemporary page of our website.
- Made of aluminium.
- Distance from wall to front face: 80mm
- Side valve connections, so add an extra 150mm to the width of the radiator to allow for valves (these are not pipe centres).
- Approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look, see our valves page (valves are not included as standard).
- UK mainland delivery available.
- To order or for further information, please call or email.
- Heat outputs are shown at operating temperatures of 90/70/20 (Δt60°C). To obtain Δt50°C outputs multiply the outputs shown by 0.789.
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

**The above prices are exclusive of VAT.**
