D/KS/2014	Single	2000	519	14	1604	5477	468

- **These particular sizes have been discontinued so limited stock remains. Please call to check stock.** D-Line is available in other sizes via the Contemporary page of our website.
- Made of steel.
- *Black is a micro grain textured metallic matt black finish.
- Chrome models emit 20% less heat than models in a painted finish.
- Side valve connections, so add an extra 150mm to the width of the radiator to allow for valves. (These are not pipe centres.)
- Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc. (Note: screws are not supplied.)
- To complete the look, see our valves page (valves are not included as standard). For manual valves, we recommend minimus valves @ £25
- Due to limited stock, we may not be able to provide a like for like replacement in the unlikely event that a manufacturing fault presents within the period of the guarantee. We would however offer a refund or an alternative product as similar in size and appearance as the relevant manufacturer is able to provide by way of replacement. Please be aware that we are not liable for any consequential losses, including any costs in connection with moving pipework to accommodate a different sized radiator.
- UK mainland delivery available.
- To order or for further information, please call or email.
- 5 year manufacturer's guarantee.
- Heat outputs are shown at operating temperatures of 90/70/20 ($\Delta t60^{\circ}\text{C}$). To obtain $\Delta t50^{\circ}\text{C}$ outputs multiply the outputs shown by 0.789
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

The above prices are exclusive of VAT.
