- polished aluminium: usually in stock / colours (non-stock): please allow around 6 weeks – colour card available on request / satin finish (non-stock): please allow around 8 weeks
- *satin finish gives the appearance of silky brushed metal
- made of aluminium
- #BIG/180/014 – now supplied with manual operation single entry valve as standard – valve supplied will either accommodate pipework coming up from the floor or from the wall
- for all other sizes - valve connections can be side or underside – valves not included as standard
- distance from wall to front face: 187/198mm
- approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied)
- to complete the look see our valves page
- nationwide delivery available
- to order or for further information, please call or email
- heat outputs are shown at operating temperatures of 90/70/20 ($\Delta t_{60}^{\circ}\text{C}$)
- all sales are subject to our standard terms and conditions a copy of which is available on request

the above prices are exclusive of VAT
