- polished aluminium: all sizes usually in stock / satin (non-stock): please allow 7 weeks / colours (non-stock): please allow 5 weeks – colour card available on request
- *satin finish gives the appearance of silky brushed metal
- made of aluminium
- distance from wall to front face: 182/193mm
- either side or underside valve connections as standard, if using side valve connections add 150mm in total to the width of the radiator to allow for valves
- to complete the look see our valves page (valves are both included as standard)
- nationwide delivery available
- to order or for further information, please call or email
- heat outputs are shown at operating temperatures of 90/70/20 ($\Delta t 60^{\circ}\text{C}$)
- all sales are subject to our standard terms and conditions a copy of which is available on request

the above prices are exclusive of VAT
