- all sizes usually in stock
- made of stainless steel with a brushed finish
- towel bar available for wider models - for 10 bar models (VTB10) = £63 / for 15 bar models (VTB15) = £78 / for 20 + bar models (VTB20) = £93
- side valve connections, so add an extra 150mm to the width of the radiator to allow for valves
- distance from wall to front face: 115-125mm
- approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied)
- to complete the look see our valves page (valves are not included as standard)- for manual valves, we recommend minimus satin valves @ £25
- nationwide delivery available
- to order or for further information, please call or email
- heat outputs are shown at operating temperatures of 90/70/20 (Δt60°C)
- all sales are subject to our standard terms and conditions a copy of which is available on request
