

HAUS – affordability without compromise

Price list with effect from 23rd September 2009

German made Haus delivers flexibility, quality and value for money. This range is a popular choice for use throughout the house or for just those rooms where smooth minimal design is required. Our experts selected Haus, for its unrivalled quality, strength and flawless finish. Head and shoulders above the look-a-likes, Haus has been awarded the prestigious European "RAL Steel Radiator Quality Mark" for quality assurance.

feature radiators

- **nationwide delivery available. delivery charges are as follows:**
 - **1 or 2 radiators = £58**
 - **3 or 4 radiators = £25**
 - **5+ radiators = no delivery charge**
- finished in RAL 9016 – traffic white
- made of steel
- **currently limited stock available. please call/email to check lead time on specific sizes**
- side valve connections, so add an extra 150mm to the width of the radiator to allow for valves
- distance from wall to front face: type 21 - 106mm, type 22 - 136mm
- approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator.
- radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied)
- to complete the look see our valves page (valves are not included as standard)
- to order or for further information, please call or email
- heat outputs are shown at operating temperatures of 90/70/20 ($\Delta t60^{\circ}\text{c}$)
- all sales are subject to our standard terms and conditions a copy of which is available on request
