many more sizes available by special order. no cost premium – please ask for details

- the above models are also available without feet (height less 75mm) – by special order
- white (RAL 9010), aluminium & anthracite finish: all usually in stock in the UK / colours (non-stock): please allow around 8 - 10 weeks
- aluminium is a paint finish (ral 9006) similar to that of a silver car
- the new classic in anthracite is a slightly different shade than the original classic. Please tell us if you are trying to match anthracite classics bought previously
- models with 4F indicates 4 columns per section - models with 6F indicates 6 columns per section
- made of steel
- side valve connections so add 150mm in total to the width of the radiator to allow for valves (these are not pipe centres)
- approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied)
- to complete the look see our valves page (valves are not included as standard)
- nationwide delivery available – usually £25 per consignment
- to order or for further information, please call or email
- heat outputs are shown at operating temperatures of 90/70/20 (Δt60°C)
- electric and towel versions available
- all sales are subject to our standard terms and conditions a copy of which can be downloaded from our website

the above prices are exclusive of VAT
