### ACCESSORIES

	original RRP white £	sale price white £	original RRP chrome £	sale price chrome £	towel rails and hooks are not included as standard
towel hanging rails	17	10	19	12	600mm wide but can be cut down on site for narrower rail
towel hooks (per pair)	17	10	19	12	

towel rails and hooks are not included as standard  
towel rails are 600mm wide but can be cut down on site for narrower rail

- white: all sizes usually in stock in the UK / colours (non-stock): please allow around 6 weeks
- tube diameter: 35mm
- distance from wall to front face: duoline single - 105mm / duoline double - 124mm
- side valve connections so add 150mm in total to the width of the radiator to allow for valves
- floor supports available – only required where radiators are being attached to unusually weak walls, ask for details
- approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied)
- to complete the look see our valves page (valves are not included as standard)
- nationwide delivery available – usually £25 per consignment
- to order or for further information, please call or email
- heat outputs are shown at operating temperatures of 90/70/20 (Δt60°C)
- all sales are subject to our standard terms and conditions a copy of which can be downloaded from our website

***the above prices are exclusive of VAT***
