

feature radiators

SPECIAL PROMOTION

SETA

price list with effect from 1st February 2010

Seta's revolutionary design and construction make this one of our most popular radiators. Practical and efficient, with rounded 'pepper pot' tops, this robust model makes a bold and powerful statement.

central heating radiators - *low and wide*

model	height (mm)	width (mm)	output watts / btu		no. of tubes	white £	matt black £	metallica £	chrome £
			white, black & metallica	chrome

- all sizes in white (ral 9010), matt black, metallica and chrome: usually in stock in the UK
- also available with chrome towel rail - please ask for more details
- made of steel
- distance from wall to front face: 120mm
- side valve connections, so add an extra 150mm to the width of the radiator to allow for valves (these are not pipe centres)
- approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied)
- to complete the look see our valves page (valves are not included as standard)
- nationwide delivery available - usually £25 per consignment
- to order or for further information, please call or email
- heat outputs are shown at operating temperatures of 90/70/20 ($\Delta t_{60}^{\circ}\text{C}$)
- all sales are subject to our standard terms and conditions a copy of which can be downloaded from our website

the above prices are exclusive of VAT
