- all oslo radiators are made to order (non-stock), lead time is approximately 4 weeks
- radiators is made of steel and is available with either a wenge# or oak seat,
- #wenge is a highly exotic tropical hardwood from Africa. it is very dense, and is very dark brown in colour - almost black
- the radiator comes in white, chrome and colours by special order. for colours please add 10% to the white price
- supplied with seat fully assembled
- side valve connections, so add an extra 150mm to the width of the radiator to allow for valves (these are not pipe centres)
- tapping centres: length minus 10mm
- approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied)
- to complete the look see our valves page (valves are not included as standard)
- nationwide delivery available – usually £25 per consignment
- to order or for further information, please call or email
- heat outputs are shown at operating temperatures of 90/70/20 (Δt60°C)
- all sales are subject to our standard terms and conditions a copy of which can be downloaded from our website

the above prices are exclusive of VAT
