- Lead time: approximately 1 week as all sizes and finishes are usually in stock / More sizes available in white, please ask for details.
- Made of aluminium.
- End panels are included in the price of each radiator.
- 80mm section width, 95mm section depth.
- Distance from wall to front face: 116-121mm
- Side valve connections - add 150mm in total to the width of the radiator to allow for valves (these are not pipe centres).
- To complete the look, see our valves page (valves are not included as standard).
- Nationwide delivery available – usually £25 per consignment.
- Heat outputs are shown at operating temperatures of 90/70/20 ($\Delta t 60^{\circ}\text{C}$).
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

The above prices are exclusive of VAT.
