- **Sizes shown in bold are usually available from stock. Please call/email to check lead time on specific sizes.**
- Please be aware that the New Haus has a manufacturer's logo badge on the side positioned as show in "New Haus – detail" image in brochure.
- Nationwide delivery available - usually £25 + VAT per consignment to most UK mainland addresses.
- Finished in RAL 9016 – Traffic white.
- Made of steel.
- Horizontal models: Side valve connections, so add an extra 150mm to the width of the radiator to allow for valves.
- Vertical models: Underside valve connections.
- Distance from wall to front face: Type 11/10 – 74mm or 90mm / Type 22/20 – 136mm or 151mm (the deeper dimension is achieved by reversing the standard brackets).
- Approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator.
- Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look, see our valves page (valves are not included as standard).
- To order or for further information, please call or email.
- Heat outputs are shown at operating temperatures of 90/70/20 (Δt60°C).
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

The above prices are exclusive of VAT.
