DANSK flat panel radiator

SPECIAL OFFER – more sizes now available

Price list with effect from 1st October 2011

Elegant minimalism. The clean simple design of the Dansk flat panel radiator squares up to modern and traditional interiors, with its practical and unobtrusive style. Finished to the highest standard, these radiators ooze quality and high spec. Dansk will disappear into white walls or sit pretty against contrasting backgrounds. With a range of vertical and horizontal sizes, these are popular for use throughout the house.

Central heating radiators - horizontal

- Sizes in bold are usually UK stock items. For all other sizes, please allow around 6 to 8 weeks for delivery.
- Finished in white RAL9010
- Made of steel.
- Distance from wall to front face: 70mm
- Vertical models: underside valve connections / Horizontal models: side valve connections, so add an extra 150mm to the width of the radiator to allow for valves (these are not the pipe centre measurements).
- Approximate pipe centre measurements can be provided if you wish to install your pipework in advance of receiving your radiator.
- Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look, see our valves page (valves are not included as standard).
- Nationwide delivery available – usually £25 per consignment.
- Heat outputs are shown at operating temperatures of 90/70/20 (Δt60°C).
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

The above prices are exclusive of VAT.
