## FLOWFORM central heating

Price list with effect from 1<sup>st</sup> October 2011

No longer hidden behind grilles, the industrial heating element appears as a beautiful object in its own right. Flow Form's spiral fin, designed for technical efficiency, adds a dramatic twist to modern living.

### Central heating radiators - Large diameter

model	height (mm)	width (mm)	diameter (mm)	output watts / btu		white £	matt black £	argenta £	chrome £
				colours	chrome				
XFF-100	190	1000	133	504 / 1719	444 / 1515	492	492	567	678
XFF-150	190	1500	133	774 / 2639	681 / 2324	588	588	674	801
XFF-200	190	2000	133	1044 / 3560	919 / 3136	693	693	796	970

- All sizes and finishes are usually in stock in the UK
- Made of steel.
- Side valve connections so please add 150mm in total to the width of the radiator to allow for valves (these are not pipe centres).
- Approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look, see our valves page (valves are not included as standard).
- Nationwide delivery available – usually £25 per consignment.
- To order or for further information, please call or email.
- Heat outputs are shown at operating temperatures of 90/70/20 ( $\Delta t 60^{\circ}\text{C}$ ).
- Chrome finish reduces radiator output by 12%.
- *Electric version also available.*
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

***The above prices are exclusive of VAT.***
