- Metallica, chrome and nickel nero: all sizes usually in stock in the UK / White and black: approx 6 to 8 weeks as by special order.
- Made of steel.
- Distance from wall to front face: 280mm
- Underside valve connections.
- Approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look, see our valves page (valves are not included as standard).
- Nationwide delivery available – usually £25 per consignment.
- To order or for further information, please call or email.
- Heat outputs are shown at operating temperatures of 90/70/20 ( $\Delta t 60^{\circ}\text{C}$ ).
- *Electric only versions available.*
- Chrome and nickel nero finish reduce radiator output by 20%.
- All sales are subject to our standard terms and conditions a copy of which can be downloaded from our website.

**The above prices are exclusive of VAT.**
