# feature radiators

- Horizontal models: side valve connections so please add 150mm in total to the width of the radiator to allow for valves (these are not pipe centres) / Vertical models: underside valve connections.
- The necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look, see our valves page (valves are not included as standard).
- Nationwide delivery available – usually £25 per consignment.
- To order or for further information, please call or email.
- Heat outputs are shown at operating temperatures of 90/70/20 ( $\Delta t60^{\circ}\text{C}$ ).
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

***The above prices are exclusive of VAT.***
