- White models: Sizes shown in bold are usually in stock – approximately 7 to 10 working days. All other sizes and finishes are made to order; please allow around 6 to 8 weeks.
- Made of steel.
- Supplied with dual-function brackets for wall or floor-mounting.
- Ebb has an open top showing the internal fins of the radiator as standard. A top grille can be specified for an extra charge, please ask for details.
- Distance from wall to front face – add 30mm to depth of Ebb to allow for brackets.
- Approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- Side valve connections, so add an extra 150mm to the width of the radiator to allow for valves. (These are not pipe centres).
- To complete the look, see our valves page (valves are not included as standard).
- Nationwide delivery available – usually £25 per consignment.
- To order or for further information, please call or email.
- Heat outputs are shown at operating temperatures of 90/70/20 ( $\Delta t 60^{\circ}\text{C}$ ).
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

***The above prices are exclusive of VAT.***
