IMPORTANT INFORMATION ABOUT CARAT RADIATORS

- Some Carat radiators are also available from our Clearance range at discounted prices. Please view the Carat pricelist on the Clearance page of our website or call for more information.
- Using underside connections: optional Variocon valve set includes integrated thermostatic valve body and thermostatic head. Chrome body with white and chrome thermostatic head = £82 per set / Chrome body with chrome thermostatic head = £104 per set
- Finished in RAL 9016 - traffic white.
- Made of steel.
- Sizes in bold are usually UK stock items. For all other sizes, please allow around 4-5 weeks for delivery.
- For horizontal models: side valve connections, so add an extra 150mm to the width of the radiator to allow for valves (these are not pipe centres), unless you are using the Variocon valve set which sit underneath the radiator / For vertical models: underside central valve connections.
- Distance from wall to front face: type 11/10 - 78mm, type 22/20 - 148mm, type 33 - 209mm.
- Approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look, see our valves page (valves are not included as standard).
- Nationwide delivery available - usually £25 per consignment.
- To order or for further information, please call or email.
- Heat outputs are shown at operating temperatures of 90/70/20 ($\Delta t_{60}^{\circ}\text{C}$).
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

The above prices are exclusive of VAT.
