feature radiators

- Can be mounted horizontally or vertically – please specify on order.
- Sizes shown in bold should be in stock in the UK / All other sizes shown are usually special order (non-stock): approx 8 – 10 weeks.
- Made of stainless steel with a brushed or polished finish. #Polished stainless steel has the appearance of chrome.
- When fitted vertically: side valve connections, add an extra 150mm to the width of the radiator to allow for valves (these are not pipe centres).
- When fitted horizontally: underside valve connections.
- Please call for technical information such as the measurement from wall to front face.
- Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look, see our valves page (valves are not included as standard) - for manual valves, we recommend minimus valves @ £25.
- Nationwide delivery available – usually £25 per consignment.
- To order or for further information, please call or email.
- Heat outputs are shown at operating temperatures of 90/70/20 ($\Delta t 60^{\circ}\text{C}$).
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

The above prices are exclusive of VAT.
