- Sizes shown in bold: normally in stock in the UK / Sizes not in bold are non-stock: approximately 6 – 8 weeks.
- Made of steel.
- *Black is a micro grain textured metallic matt black finish.
- Chrome models emit 20% less heat than models in a painted finish.
- Distance from wall to front face: single - 82mm / double – 102mm
- Side valve connections, so add an extra 150mm to the width of the radiator to allow for valves. (These are not pipe centres.)
- Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc. (Note: screws are not supplied.)
- To complete the look, see our valves page (valves are not included as standard). For manual valves, we recommend minimus valves @ £25
- Nationwide delivery available – usually £25 per consignment.
- To order or for further information, please call or email.
- 5 year manufacturer's guarantee.
- Heat outputs are shown at operating temperatures of 90/70/20 (Δt60°C).
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

The above prices are exclusive of VAT.
