- End panels are optional and must be fitted at the same time as the radiator.
- All end panels are moulded plastic except the 350 version which is flat metal.
- End panels only available in white.

- White – all Decoral sizes shown are assembled to order (non-stock): approx 7 - 10 working days.
- Also available in anthracite – see details overleaf
- Colours (painted to order) - please ask for details.
- Made of aluminium.
- Distance from wall to front face: 105mm
- Side valve connections so add 150mm in total to the width of the radiator to allow for valves (these are not pipe centres).

Prices are exclusive of VAT.

1800mm high, 4 sections
Size no longer available
in anthracite

- Anthracite – sizes shown above are assembled to order (non-stock) – approximately 7 – 10 working days.
- *Anthracite is a charcoal grey/black. White – see details on previous page. Colours also available (painted to order) - please ask for details.
- Made of aluminium.
- Distance from wall to front face: 105mm
- Side valve connections so add 150mm in total to the width of the radiator to allow for valves (these are not pipe centres).
- Approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator.
- Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc. (note: screws are not supplied).
- To complete the look, see our valves page (valves are not included as standard).
- Nationwide delivery available – usually £25 per consignment.
- Heat outputs are shown at operating temperatures of 90/70/20 ($\Delta t 60^{\circ}\text{C}$).
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

The above prices are exclusive of VAT.
