- Made of mild steel.
- Distance from wall to front face: 105mm
- Side valve connections, so add an extra 150mm to the width of the radiator to allow for valves (these are not pipe centres).
- Approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look, see our valves page (valves are not included as standard).
- 5 year manufacturer's guarantee.
- Nationwide delivery available - usually £25 per consignment.
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

The above prices are exclusive of VAT.
