- All sizes are made to order - approximately 10 working days.
- Made individually in sections - available up to 18 sections ready assembled. Additional larger sizes available. \*These require a joining tool for on site assembly. A joining tool can be supplied for £100 refundable deposit
- Distance wall to front face = 173mm
- Pipe centres: wall to pipe centre = 99mm, tapping centres = width of the radiator, centre to centre measurements = tapping centres plus appropriate amount for valves.
- Side entry valve connections so add 150mm in total to the width of the radiator to allow for valves (these are not pipe centres).
- Made of aluminium .
- Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look, see our valves page (valves are not included as standard).
- Nationwide delivery available for £25 + VAT to most UK mainland addresses.
- To order or for further information, please call or email.
- Heat outputs are shown at operating temperatures of 90/70/20 (Δt60°C).
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

***The above prices are exclusive of VAT.***
