feature radiators

Important information overleaf

- White: all sizes usually in stock in the UK / Colours (non-stock): please allow around 8 weeks – colour card available on request.
- Matrix radiators are also available from our clearance range in other sizes and colours. Limited stock. Please ask for details.
- Made of steel.
- Distance from wall to front face: 73mm
- Side valve connections so add 150mm in total to the width of the radiator to allow for valves (these are not pipe centres).
- Approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look, see our valves page (valves are not included as standard).
- Nationwide delivery available – usually £25 per consignment.
- To order or for further information, please call or email.
- Heat outputs are shown at operating temperatures of 90/70/20 ($\Delta t60^{\circ}\text{C}$).
- All sales are subject to our standard terms and conditions, a copy of which is available on request.

The above prices are exclusive of VAT.
