feature radiators

- Made of stainless steel with a brushed finish: all sizes usually in stock in the UK.
- Distance from wall to front face: singles – 92mm / doubles – 113mm
- Approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look, we have matching high quality brushed thermostatic valves available @ £90, brushed Ellipse manual valves @ £50 and brushed pipe kits @ £35.
- 25 year manufacturer's guarantee.
- Nationwide delivery available – usually £25 per consignment.
- To order or for further information, please call or email.
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

The above prices are exclusive of VAT
