T-LINE

Special promotion

Price list with effect from 1st February 2012

Horizontal model with underside connections

Vertical model with side connections

SIZES, HEAT OUTPUTS AND PRICES ARE DETAILED OVERLEAF.

- Sizes shown in bold below: usually in stock in the UK. All other sizes and finishes available by special order: approximately 4 weeks.
- *Colours are from a limited selection of RAL colours. Other RAL colours and special finishes are also available for an extra charge, please ask for details.
- Towel rails and towel pegs for the T-Line are available, please ask for details.
- Distance from wall to front face: 100mm
- If vertical fitting: side valve connections, so add an extra 150mm to the width of the radiator to allow for valves (these are not pipe centres). Also available with underside connections by special order for an additional £72.
- If horizontal fitting: underside valve connections.
- Approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look, see our valves page (valves are not included as standard).
- Nationwide delivery available – usually £25 per consignment.
- To order or for further information, please call or email.
- Heat outputs are shown at operating temperatures of 90/70/20 ($\Delta t_{60}^{\circ}\text{C}$).
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

The above prices are exclusive of VAT.
