feature radiators

Longer sizes available. Please call for prices and further information

Many other heights and depths available by special order. Please allow 8 weeks

Electric element

- Comes with 1 year manufacturer's warranty
- The electric element supplied is for DIY installation on site – full instructions provided. The element can be fitted on either side. It is supplied with 1m of white flex
- Adjustable (operating range 20-70°C) thermostatically controlled element with frost protection setting, 240V on/off operation
- Element only available in white
- Please allow an extra 60mm width for the element control box

- All Bordos are assembled to order (non-stock): approx 10 – 15 working days
- For steel column radiators in colours (including aluminium and anthracite) please ask for details
- For heights up to 1000mm, up to 20 sections can be delivered to site ready assembled. *for heights over 1000mm, up to 15 sections can be delivered to site ready assembled. if the radiator is any longer than this then a joining tool is required for assembly on site for a deposit of £100
- Floor-mounted radiators come with insertable feet and wall stays. feet add 120mm to height
- Wall-mounted radiators come with wall brackets
- Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied)
- Nationwide delivery available – usually £25 per consignment
- Radiator comes with a 5 year manufacturer's warranty
- To order or for further information, please call or email
- All sales are subject to our standard terms and conditions a copy of which is available on request

the above prices are exclusive of VAT
