

# feature radiators

## **ELECTRIC ICON** *special promotion*

effective from 1<sup>st</sup> February 2009

floor-mounted (with feet)

### electric

	height	height	width	number of sections	element wattage	price	
	wall-mounted	floor-mounted				wall-mounted	floor-mounted
	mm	mm	mm			£	£
<b>MW600/3/14/E</b>	600	720	650	14	600	1566	1578
<b>MW600/3/20/E</b>	600	720	920	20	900	2113	2126

Listed above are the shortest length radiators needed to accommodate the relevant sized element. If you wish to have longer radiators for aesthetic reasons then these can be made up. Please ask for prices.

#### Electric element

- Comes with 1 year manufacturer's warranty
- The electric element supplied is for DIY installation on site – full instructions provided. The element can be fitted on either side. It is supplied in chrome finish with 1m of white flex
- Adjustable (operating range 20-70°C) thermostatically controlled element with frost protection setting, 240V on/off operation
- Please allow an extra 60mm width for the element control box

- all icons are assembled to order (non-stock): approx 10 – 15 working days
- floor-mounted radiators come with insertable feet and two wall stays. feet add 120mm to height
- wall-mounted radiators come with additional brackets
- up to 20 sections can be delivered to site ready assembled. for larger sizes a joining tool is required for a deposit of £100
- distance wall to front face: 139mm
- 107mm deep – 3 columns
- Please allow an extra 60mm width for the element control box
- radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied)
- nationwide delivery available – usually £25 per consignment
- *also available as a central heating radiator*
- to order or for further information, please call or email
- all sales are subject to our standard terms and conditions a copy of which is available on request

***the above prices are exclusive of VAT***
