

feature radiators

Effective from 1st February 2012

2 Column 20 sections wall-mounted white shown above
Central heating version (with valves) pictured

Electric Clasico 2 column

Two column cast iron radiator
Timeless and versatile
Floor-mounted or wall-mounted

Sits close to the wall, so ideal for smaller rooms
or narrow corridors where space is at a premium

Please specify floor or wall-mounted at time of ordering

Floor-mounted (on feet)

model	sections	height (inc. feet) (mm)	width (mm)	element wattage	primer £	colour £
FLR-80/2/10/E	10	777	624	600	406	506
FLR-80/2/14/E	14	777	864	900	503	643
FLR-80/2/19/E*	19	777	1164	1200	621	811
FLR-80/2/24/E*	24	777	1464	1500	740	980

Wall-mounted (without feet)

Model	sections	height (mm)	width (mm)	element wattage	primer £	colour £
WALL-80/2/10/E	10	712	624	600	406	506
WALL-80/2/14/E	14	712	864	900	503	643
WALL-80/2/19/E*	19	712	1164	1200	621	811
WALL-80/2/24/E*	24	712	1464	1500	740	980

*Joining tool required for on site assembly for £100 refundable deposit.

Finishes

- Available in *mat metallic finishes* (antique gold, light old penny, dark old penny, natural cast iron, anthracite, pewter) and a selection of *semi-gloss finishes* (some RAL colours, gun metal and black). Colour cards available on request.
- Shade variations may occur from one paint batch to the next and over the years our standard for some colours (including anthracite) has changed. Accordingly, where radiators are to be used in the same room and/or a colour match is important, it is advisable to order all radiators at the same time. If you are looking to match the colour of radiators ordered previously, please disclose this at the time of order, so we can do what we can to minimize the variation in shade.
- Warning: please be aware that pewter, white, cream and other light coloured paint finishes highlight the imperfections characteristic of cast iron more than the darker colours.
- Primer finish available for on site painting or we can deliver direct to your own painter in the UK. We strongly advise against powder coating this product as this process can weaken the seals between sections. Powder coating will invalidate the manufacturer's guarantee.
- These radiators have a textured finish that is characteristic of cast iron. If you are looking for a column style radiator with a smooth finish please see our Classic and Bordo ranges, which are made of steel.

See further notes overleaf.
