| LL273-14/E  | 273         | 1140       | 14                 | 900             | 491     |
| LL273-19/E* | 273         | 1540       | 19                 | 1200            | 607     |
| LL273-24/E* | 273         | 1940       | 24                 | 1500            | 723     |

### Electric element

- Comes with 1 year warranty.
- The electric element supplied is for DIY installation on site – full instructions provided. The element can be fitted on either side but please specify this on ordering. It is supplied with 1m of white flex.
- Adjustable (operating range 20-70°C) thermostatically controlled element with frost protection setting, 240V on/off operation.
- Element only available in white.
- Please allow an extra 60mm width for the element control box.

- All sizes are made to order - approximately 10 working days.
- Made individually in sections – available up to 18 sections ready assembled, additional larger sizes available.
- \*These require a joining tool for on site assembly. A joining tool can be supplied for £100 refundable deposit.
- Distance wall to front face = 173mm
- Made of aluminium.
- For the radiator - 5 year manufacturer's guarantee against manufacturing defects – maximum working pressure of 6 bar.
- Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- Nationwide delivery available.
- To order or for further information, please call or email.
- *Also available as a central heating radiator.*
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.
