ELECTRIC DYNAMO

Price list with effect from 1st July 2017.

Dynamo is a revolutionary addition to our electric range. This dynamic radiator is ingeniously designed to deliver direct, consistent heat with no cold spots and has a rapid reaction time. Dynamo's neat and user-friendly controller allows 7 day programming for efficient energy use and comes with day/night settings and frost protection. Smart, stylish and hard-working Dynamo will warm you inside and out. Comes with a 5 year manufacturer's warranty on both the radiator shell and its electrical components.

Upgrade any of our electric radiators including the Electric Dynamo to ensure the ultimate in control, minimizing energy wastage. Wirelessly link electric radiators to create a complete, centrally controlled heating system using our in-house controller or use our smart system to control electric radiators remotely via you PC, tablet or smartphone. Please ask for more information on controlling electric radiators.
