ELECTRIC ARROW

Price list with effect from 14th August 2017.

Arrow, 1800mm high x 475mm wide
in Sunstone (Special finish) with LED light

The ultimate weapon against the cold. Sleek and timeless, Arrow is precisely on point when it comes to highly efficient electric heating. Targeted heat hits the spot because of its smart controller which includes 7 day programmable timer and temperature controls, for heating only when and where you want it.

Upgrade any of our electric radiators including the Electric Arrow to ensure the ultimate in control, minimizing energy wastage. Wirelessly link electric radiators to create a complete, centrally controlled heating system using our in-house controller or use our smart system to control electric radiators remotely via you PC, tablet or smartphone. Please ask for more information on controlling electric radiators.
