

feature radiators

Effective from 1st October 2011

10 sections in old gold

VICTORIAN 9

Nine column cast iron radiator – back to school.
Hand-built using traditional methods.

Supplied pre-assembled up to 15 sections.

We believe the quality and finish of our cast iron radiators are second to none. The devil's in the detail. Our radiator sections are joined together using seals which have been specifically sourced to ensure a neat finish between sections. This avoids the risk of paint issues that have been seen in cast iron radiators where standard seals are used.

Below are approximate measurements of assembled radiator sections (end bush to end bush). These are intended as a rough guide only.

VICTORIAN 9

360mm high - 340mm deep

| sections | length (mm) |
|----------|-------------|
| 3 | 225 |
| 4 | 270 |
| 5 | 330 |
| 6 | 385 |
| 7 | 440 |
| 8 | 495 |
| 9 | 555 |
| 10 | 600 |
| 11 | 660 |
| 12 | 705 |
| 13 | 760 |
| 14 | 805 |
| 15 | 860 |

| output | | primer £ | top coat £ |
|--------|------|-------------|---------------|
| watts | btus | | |
| 420 | 1433 | 200 | 216 |
| 560 | 1910 | 260 | 281 |
| 700 | 2388 | 320 | 347 |
| 840 | 2866 | 380 | 412 |
| 980 | 3343 | 440 | 477 |
| 1120 | 3821 | 500 | 543 |
| 1260 | 4299 | 560 | 608 |
| 1400 | 4776 | 620 | 673 |
| 1540 | 5254 | 680 | 739 |
| 1680 | 5732 | 740 | 804 |
| 1820 | 6210 | 800 | 869 |
| 1960 | 6688 | 860 | 935 |
| 2100 | 7165 | 920 | 1000 |

Finishes

- Available in *mat metallic finishes* (old gold, bronze, lead, anthracite, black, pewter, sovereign gold). Colour card available on request. Shade variations may occur from one paint batch to the next. Where it is imperative that radiators exactly colour match, then such radiators should be ordered together. If you are looking to match the colour of radiators ordered previously, please disclose this at the time of order, so we can do what we can to minimize the variation in shade.
- Warning: please be aware that pewter and other light coloured paint finishes highlight the imperfections characteristic of cast iron more than the darker colours.
- Primer finish available for on site painting or we can deliver direct to your own painter in the UK. We strongly advise against powder coating this product as this process can weaken the seals between sections. Powder coating will invalidate the manufacturer's guarantee.
- These radiators have a textured finish which is characteristic of cast iron. If you are looking for a column style radiator with a smooth finish please see our Classic and Bordo ranges, which are made of steel.

- Approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. These measurements are intended as a rough guide only
- Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied)
- To complete the look see our valves page for traditional style valves (valves are not included as standard)
- Nationwide delivery available – usually £25 per consignment
- To order or for further information, please call or email
- Heat outputs are shown at operating temperatures of 90/70/20 (Δt60°C)
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

These prices are exclusive of VAT
