| ZEPHYR 1510 | 1500 | 490 | 10 | 1471 / 5019 | 883 | 1113 |

all our zephyrs come with stainless steel square elbow adaptors (90MF) to provide a choice of side, underside or rear valve connections

- includes one stainless steel towel rail (no further rails can be added)
- sizes shown in bold should be in stock in the UK / all other sizes shown are usually special order (non-stock): approx 8 – 10 weeks
- made of stainless steel in a brushed or polished finish
- *radiator is brushed all over except for a part of the bracket
- **** the polished models are polished all over except the back of the radiator, which is in a brushed finish**
- standard flat tube dimensions: 40mm x 10mm
- to complete the look see our valves page (valves are not included as standard)- for manual valves, we recommend minimus valves @ £25
- distance from wall to front face: 170mm (including towel bar which adds an extra 60mm)
- approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied)
- nationwide delivery available – usually £25 per consignment
- heat outputs are shown at operating temperatures of 90/70/20 (Δt60°C)
- all sales are subject to our standard terms and conditions a copy of which is available on request or can be downloaded from our website

the above prices are exclusive of VAT
