- One chrome rail included in radiator price – additional rail available for an extra charge, please ask for more details.
- White (RAL 9010), matt black, metallica and chrome: all sizes usually in stock in the UK.
- Distance from wall to front face: 120mm (rail adds 60mm).
- Side valve connections, so add an extra 150mm to the width of the radiator to allow for valves. (These are not pipe centres.)
- Approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look, see our valves page (valves are not included as standard).
- Nationwide delivery available – usually £25 per consignment.
- To order or for further information, please call or email.
- Heat outputs are shown at operating temperatures of 90/70/20 (Δt60°C).
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

**The above prices are exclusive of VAT.**
