- White (RAL 9010), aluminium and anthracite finishes: usually in stock in the UK / Colours: please allow 8 - 10 weeks.
- Aluminium is a paint finish (ral 9006) similar to that of a silver car.
- The shade of anthracite changed at the beginning of 2008. Please tell us if you are trying to match with anthracite classics bought previously
- Distance from wall to front face: 95mm (rail adds a further 80mm).
- One full width chrome rail included in radiator price, see table above for price of additional rails.
- Additional small chrome towel rail available (CTR18) - £98
- Underside valve connections.
- Pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look, see our valves page (valves are not included as standard).
- Nationwide delivery available – usually £25 per consignment.
- To order or for further information, please call or email.
- Heat outputs are shown at operating temperatures of 90/70/20 (Δt60°C).
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

The above prices are exclusive of VAT.
