## Gainsborough Traditional Style Ball-Jointed Towel Radiators

price list with effect from 1<sup>st</sup> November 2011

Gainsborough – OG009B

Joint detail

Pure quality and classic styling. The Gainsborough ball jointed towel radiator is a welcome addition to any bathroom bringing warmth and space to hang your towels. All Gainsborough radiators are hand finished in the UK, made from high quality materials and are tested rigorously. All our ball-jointed radiators are made of solid brass and coated with chrome (other metal finishes by special order). We also offer a first rate bespoke service. These radiators are central heating as standard, but are also available in dual fuel and all electric versions\*.  
#as pictured

Model code	Number of horizontal bars	Height (mm)	Width (mm)	Depth (mm)	Central heating output		Central heating £	Electric element Wattage	Dual fuel* £	Electric* £
					Watts	BTUs				
OG009A	2	825	735	160	848	2894	1573	400	1671	1716
OG009B#	2	825	675	160	720	2458	1489	300	1587	1632
OG009C	2	825	500	160	485	1656	1413	300	1511	1556

\*Basic on/off electric element as standard. For adjustable thermostatic electric element, please add £94 + VAT to electric and dual fuel prices above.

Rails are chrome as standard. Other metal finishes also available by special order and at an extra cost, please ask for more details. Radiator inserts are white as standard. Coloured radiator inserts also available by special order and at an extra cost. Wide range of colours available including: duck egg blue, opulent red, originals green, slate blue, charcoal grey).

- All Gainsborough radiators are made to order, please allow approximately 4 weeks.
- Underside valve connections.
- Pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied)
- To complete the look (for central heating radiators), see our valves page (valves are not included as standard).
- Nationwide delivery available – usually £25 per consignment.
- To order or for further information, please call or email.
- Heat outputs are shown at operating temperatures of 90/70/20 (Δt60°C).
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

***The above prices are exclusive of VAT.***
