Nunney

Traditional Style Ball-Jointed Towel Radiators

Price list with effect from 1st November 2011

Bring authenticity and luxury to your bathroom with the Nunney. This handsome ball jointed towel radiator not only looks gorgeous but is extremely practical with oodles of hanging space. Hand finished in the UK and made of solid brass finished with a luxurious coat of chrome (other metal finishes available by special order). Other sizes are available by special order. These radiators are central heating as standard, but are also available in dual fuel and all electric versions*.

NUNNEY

Model code	Height (mm)	Width (mm)	Depth (mm)	Central heating output Watts / BTUs	Central heating £	Electric element Wattage	Dual fuel* £	Electric* £
LG017	850	600	235	555 / 1893	1593	75 + 75	1691	1736

*Basic on/off electric element as standard. For adjustable thermostatic electric element, please add £94 to electric and dual fuel prices.

Rails are chrome as standard. Other metal finishes also available by special order and at an extra cost, please ask for more details.

- All Nunney radiators are made to order, please allow approximately 4 weeks.
- Inward facing valve connections.
- Pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look (for central heating radiators), see our valves page (valves are not included as standard).
- Nationwide delivery available – usually £25 per consignment.
- To order or for further information, please call or email.
- Heat outputs are shown at operating temperatures of 90/70/20 ($\Delta t 60^{\circ}\text{C}$).
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

The above prices are exclusive of VAT.
