Coniston

Traditional Style Ball-Jointed Towel Radiators

Price list with effect from 1st February 2012

Coniston/2#

Excellent quality ball jointed towel radiator, designed to stand on the floor. The Coniston provides ample hanging space for toasty warm towels as well as period charm. The Coniston is made of solid brass and finished with a luxurious coating of chrome on stock model (Other metal finishes available by special order). This traditional style towel radiator is available in central heating, dual fuel and all electric versions. Our bespoke service means we can offer a wide range of styles, finishes and sizes.

STOCK model (central heating version)

radiator	model code	height mm	width mm	projection mm	output watts / btu		chrome £
Coniston/2# With 3 horizontal bars	ICKBRGH 2	952	680	142	183	625	257

Economies of scale enable us to offer this model at a significantly reduced price.

- Central heating version only - usually next day delivery as in stock in the UK.
- Many more sizes, dual fuel and electric only models shown overleaf.
- Inward facing valve connections.
- Pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look (for central heating radiators) see our valves page (valves are not included as standard).
- Nationwide delivery available - usually £25 per consignment.
- To order or for further information, please call or email.
- Heat outputs are shown at operating temperatures of 90/70/20 ($\Delta t 60^{\circ}\text{C}$).
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

The above prices are exclusive of VAT.

Bespoke central heating, dual fuel and electric only models overleaf.
