Electric

| Model | Height mm | Width mm | Price £ |
|---------------|--------------|-------------|------------|
| COM/120/050/E | 1200 | 500 | 750 |

- Polished stainless steel: usually in stock in the UK.
- Can be rotated to mount header on right hand side.
- Distance wall to front face: 82-102mm
- Thermostatic adjustable element (POL1) fitted as standard on HE & E models.
- Approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look, see our valves page (valves are not included as standard).
- Nationwide delivery available – usually £25 per consignment.
- To order or for further information, please call or email.
- Heat outputs are shown (for central heating radiators) at operating temperatures of 90/70/20 ($\Delta t_{60}^{\circ}\text{C}$).
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

The above prices are exclusive of VAT.
