**For dual fuel models - please add £100 to the prices shown\***

**For electric models - please add £150 to the prices shown\***

- White (RAL 9016) & chrome: all sizes usually in stock in the UK so next day delivery / Colours: approximately 4 weeks.
- \*Dual fuel and electric models come with chrome elements and chrome parts as standard. White is available by request.
- #Colours are from a limited selection of RAL colours. Other RAL colours and special finishes are also available for an extra charge, please ask for details.
- More sizes available by special order. Please ask for details.
- Distance from wall to front face: 100mm to 115mm
- Electric radiators: please allow 100mm beneath the radiator for the heater and flex.
- Approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator (except for dual fuel models). Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look (for central heating radiators), see our valves page (valves are not included as standard).
- Nationwide delivery available - usually £25 per consignment.
- To order or for further information, please call or email.
- Heat outputs are shown at operating temperatures of 90/70/20 ( $\Delta t 60^{\circ}\text{C}$ ).
- All sales are subject to our standard terms and conditions, a copy of which can be downloaded from our website.

***The above prices are exclusive of VAT.***
